Funny Cartoon Animal Drawing: Exaggeration and Expression Swaps

Original worked example / unchanged complete key

Prompt: Draw a funny cartoon cat with exaggerated ears and a surprised expression in a 12 cm by 9 cm box with midline at 4 cm.

Answer: Body oval 6 cm wide and 4 cm tall on the baseline. Head circle 5 cm wide crossing the midline. Ears drawn as triangles 6 cm tall (double the normal 3 cm). Surprised expression: wide circle eyes and a small o mouth. Legs as four short lines to the baseline. Check: ear height 6 cm divided by normal 3 cm equals 2, so the exaggeration ratio is 2:1.
