Guitarist Drawing: Torso, Arms, and Instrument Alignment

Original task 1 / independent drawing and calculation

Task 1

Draw a standing guitarist with a 6 cm by 4 cm torso block, a 3 cm upper arm, a 2.5 cm forearm, and a 5 cm by 6 cm guitar body. The torso tilts 5 degrees. Check hand placement.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Guitarist Drawing: Torso, Arms, and Instrument Alignment

Original task 2 / independent drawing and calculation

Task 2

A seated guitarist has a torso block 6 cm tall and a hip block 3 cm tall overlapping by 1 cm. The guitar neck is 8 cm long. Describe where the fretting hand oval should sit and why.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Guitarist Drawing: Torso, Arms, and Instrument Alignment

Original task 3 / independent drawing and calculation

Task 3

Draw a guitarist whose strumming hand hovers 1 cm above the guitar body. Identify the mistake and correct it using the construction order.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Guitarist Drawing: Torso, Arms, and Instrument Alignment

Original task 4 / independent drawing and calculation

Task 4

A guitarist's guitar body floats 2 cm beside the torso. The torso is 4 cm wide and the guitar body is 5 cm wide. Describe the correction and the alignment check.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Full drawing sheet / reusable blank workspace

Reusable full drawing sheet for Tasks 1 to 4. Print another copy when needed. Keep all original task measurements; if a task specifies larger paper, use that paper size.
