Urban Landscape Drawing: Building Blocks and Street Layout

Original tasks 1, 2 / independent work

Task 1

A hypothetical sheet is 180 mm wide. You want a 15 mm border on each side. What drawing width remains?

Task 2

You divide a 120 mm tall drawing area into three equal layers. How tall is each layer?

Urban Landscape Drawing: Building Blocks and Street Layout

Original tasks 3, 4 / independent work

Task 3

A main street is 20 mm wide and a cross street is 12 mm wide. What is the total width of both streets if they do not overlap?

Task 4

You place 3 foreground buildings, 4 midground buildings, and 5 background buildings. How many building blocks total?
