Draw the Letter T: Block and Serif Stroke Order

Worked illustration

Follow this lesson pen order / print scale 1 / dimensions describe the original drawing

Worked block T / top stroke before stem

T / frame 20 x 20 mm

Numbers mark the pen order. Solid starts; open unshared ends. Joined parts can share a start or stop.

Draw the Letter T: Block and Serif Stroke Order

Original worked example / unchanged complete key

Prompt: Draw a block T with x-height 20 mm and width 20 mm. State the stroke order and check centring.

Answer: Draw a baseline and midline 20 mm apart. Mark left and right ends of the top stroke 20 mm apart. Draw the top stroke left to right. Mark the centre (10 mm from either end) and draw a light vertical guide to the baseline. Draw the stem from the top stroke to the baseline. Check: stem height 20 mm, top stroke width 20 mm, stem meets top stroke at 10 mm from each end within 1 mm (hypothetical tolerance).
