Twin-Peak Mountain Drawing: Paired Summits and Valley Shading

Original task 1 / independent drawing and calculation

Task 1

Draw a twin-peak mountain on a 16 cm base line. Place the center at 8 cm, left summit at 4 cm and right summit at 12 cm, both 6 cm above the base. Place the saddle at 8 cm, 3 cm above the base. Shade the valley darkest.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Twin-Peak Mountain Drawing: Paired Summits and Valley Shading

Original task 2 / independent drawing and calculation

Task 2

Draw a twin-peak mountain with a shallow saddle: base 18 cm, center 9 cm, summits at 5 cm and 13 cm, both 7 cm high, saddle at 9 cm and 5 cm high. Use cross-hatching for valley shading.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Twin-Peak Mountain Drawing: Paired Summits and Valley Shading

Original task 3 / independent drawing and calculation

Task 3

Draw a twin-peak mountain with unequal summits: base 20 cm, center 10 cm, left summit at 6 cm and 8 cm high, right summit at 14 cm and 6 cm high, saddle at 10 cm and 3 cm high. Use stippling for shading.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Twin-Peak Mountain Drawing: Paired Summits and Valley Shading

Original task 4 / independent drawing and calculation

Task 4

In a comparison box, draw three twin-peak outlines with base 12 cm and summits 6 cm high. Use saddle heights of 2 cm, 3 cm, and 4 cm. Label each as deep, medium, or shallow.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Full drawing sheet / reusable blank workspace

Reusable full drawing sheet for Tasks 1 to 4. Print another copy when needed. Keep all original task measurements; if a task specifies larger paper, use that paper size.
