Draw a Cute Gnome: Hat, Beard, Body and Boots

Worked example / complete source key

A learner chooses a 12 cm total height with bands of 4 cm hat, 3 cm head/beard, 3 cm body and 2 cm boots. They draw a leaning hat tip, a beard overlapping the body by 1 cm, and two boots on the baseline. Check the construction.

Answer: The bands sum to 12 cm, the beard overlaps the body, and both boots touch the baseline, so the construction is clear and valid. The leaning hat is an acceptable style choice.
