Draw a Mesopotamia Map: Rivers, Cities, and Labels Made Simple

Original task 1 / independent drawing and calculation

Task 1

A map area is 18 cm wide and 24 cm tall. You place Kish at 10 cm from the left border and 6 cm from the bottom border. Nineveh is 4 cm east and 10 cm north of Kish. Give Nineveh's position from the left and bottom borders, and the straight-line distance between the two markers.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Draw a Mesopotamia Map: Rivers, Cities, and Labels Made Simple

Original task 2 / independent drawing and calculation

Task 2

You draw the Euphrates as a double line 4 mm apart and the Tigris as a double line 5 mm apart. At the narrowest point the gap between the two rivers is 3 cm. What is the total width from the outer edge of the Euphrates to the outer edge of the Tigris at that point?

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Draw a Mesopotamia Map: Rivers, Cities, and Labels Made Simple

Original task 3 / independent drawing and calculation

Task 3

A label box is 8 mm tall. Capital letters must reach the top of the box, and lowercase bodies sit between baseline and midline. If the midline is halfway up the box, how many millimetres above the baseline is the midline? State one acceptable lowercase letter height and one acceptable capital letter height in millimetres.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Draw a Mesopotamia Map: Rivers, Cities, and Labels Made Simple

Original task 4 / independent drawing and calculation

Task 4

You place three city markers: Ur at 5 cm from the left and 3 cm from the bottom, Uruk at 9 cm from the left and 3 cm from the bottom, and Babylon at 7 cm from the left and 7 cm from the bottom. Are all marker spacings at least 2 cm? Give the three distances.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Full drawing sheet / reusable blank workspace

Reusable full drawing sheet for Tasks 1 to 4. Print another copy when needed. Keep all original task measurements; if a task specifies larger paper, use that paper size.
