Describe and Draw: Partner Picture Pairs from Written Prompts

Original task 1 / independent drawing and calculation

Task 1

Description: In a 10 cm by 10 cm frame, a circle sits in the centre, about 3 cm across. A square sits to the right of the circle, about 2 cm wide. A line runs along the bottom edge. Draw the scene and state one check you would make.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.
