Anime Hair Practice: Spiked and Swept Shape Construction

Worked example / complete source key

On a 6 cm by 4.5 cm head oval with C placed 1 cm above the midline, construct a spiked style with three radiating wedges and one overlapping second-layer wedge, then state the check.

Answer: Draw three rays from C: up-left, up, up-right. Each wedge has a 1 cm root at C and a tip 4 cm along its ray. Add one shorter wedge between the up-left and up rays, crossing the up-left wedge near its root. Check: extend each wedge's center line; all meet at C, and the second-layer root is hidden by its neighbor.
