Draw and Label Body Parts: Vocabulary Worksheet Plan

Ordinary topic reference / separately checked pixels

Body-part vocabulary / simple outline convention / word bank, pointers and detail space

WORD BANK: head / arm / hand / leg / foot

hand / five fingers

Five selected vocabulary targets are head, arm, hand, leg and foot. A pointer must touch its named part. The figure is intentionally a simple outline, not anatomical study. The worked model hand has five fingers; Task 4 explicitly allows a recognisable alternative rather than imposing five on every learner sketch.

Draw and Label Body Parts: Vocabulary Worksheet Plan

Original worked example / unchanged complete key

Prompt: A figure has a box pointing to the hand. The word bank lists hand. Write the label and draw a detail sketch.

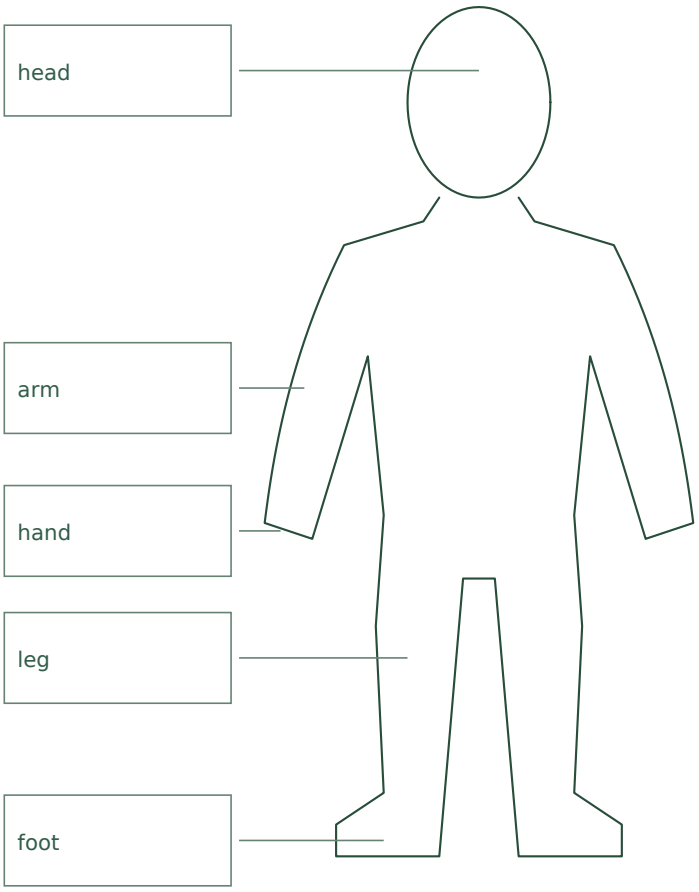

Answer: Write hand in the box. Draw a small outline with five fingers in the side column. Check that the label matches the bank and the sketch shows fingers.
