Draw Missing Body Parts: Kindergarten Completion Worksheets

Original task 1 / independent drawing and calculation

Task 1

A figure has a dashed gap labeled leg at the bottom left. The gap runs from the hip to the floor line. Draw the missing leg so it touches the hip gap.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Original task 4 / independent drawing and calculation

Task 4

A figure has a dashed gap labeled foot at the bottom of the left leg. The gap is a small oval at the floor line. Draw the missing foot and color the figure.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

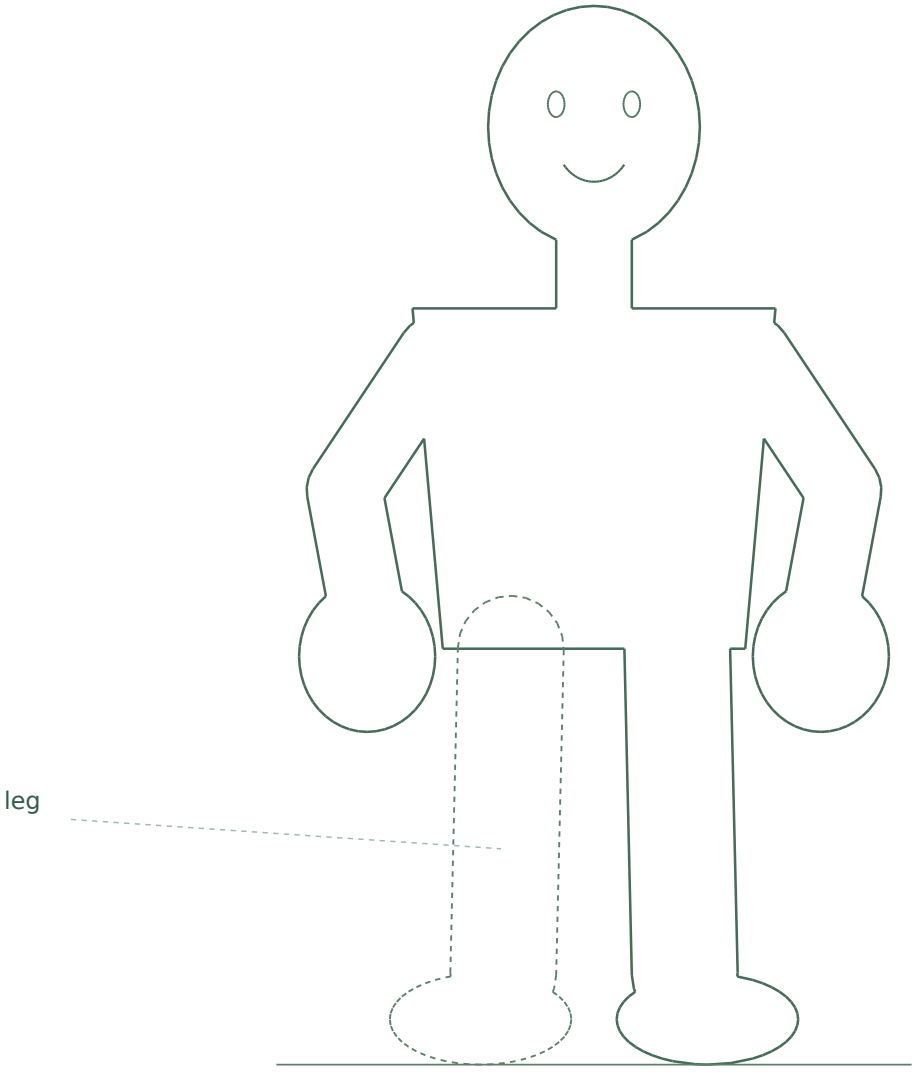

Full drawing sheet / reusable blank workspace

Reusable full drawing sheet for Tasks 1 to 4. Print another copy when needed. Keep all original task measurements; if a task specifies larger paper, use that paper size.

Draw Missing Body Parts: Kindergarten Completion Worksheets

Task 1 / practice

Body-part completion / dashed gaps are deliberate inputs / left and right mean page view

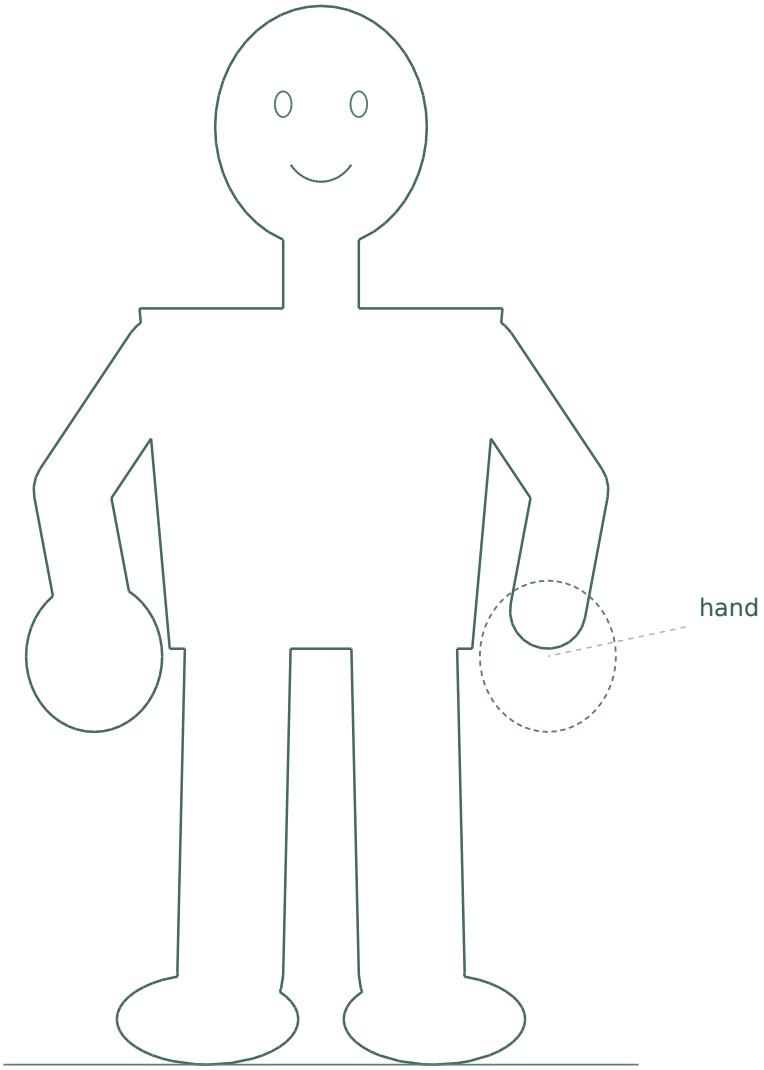

The simplified leg gap includes its rounded ground-end and reaches the floor line.

Trace the labelled gap and draw only the missing part. Check the connection and recognizability, then choose your own colors.
