Ordinary topic reference. Hypothetical dimensions in the four tasks are supplied in their own text; this illustration is not their measured answer.

Draw Myself Worksheet: Guided Self-Portrait with Labeled Prompts

Worked example / complete source key

A learner draws a head oval with a faint midline, places two oval eyes near the midline, adds short curly hair, draws a blue shirt with a pocket, and draws a small book for something I like. The learner writes the name 'Sam' and the sentence 'I drew a book because I like stories.' Check this against the rubric.

Answer: The drawing meets the rubric: eyes are near the midline, all four prompts are answered, the name is present, and the sentence is complete with a capital letter and period. The book is a valid choice for something I like. No fix is needed.
