Draw a North Pole House: Snow Roof, Workshop and Candy Details

Original task 1 / independent drawing and calculation

Task 1

Draw a wall rectangle 8 cm wide and 5 cm tall (hypothetical). Add a roof with two sloping lines to a peak. Draw a wavy snow line 1 cm above each slope. Describe where the snow line sits relative to the roof line.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Draw a North Pole House: Snow Roof, Workshop and Candy Details

Original task 2 / independent drawing and calculation

Task 2

Draw a door 3 cm wide and 5 cm tall (hypothetical) with a handle. Add candy-cane trim along the left side of the door using a thick line and diagonal stripes. How many stripes did you draw, and are they evenly spaced?

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Draw a North Pole House: Snow Roof, Workshop and Candy Details

Original task 3 / independent drawing and calculation

Task 3

Draw a workshop chimney on the right roof slope, away from the peak. Add a snow cap. Then draw a sign board 4 cm by 2 cm (hypothetical) above the door. Lightly mark a baseline and midline, and write 'Workshop' so the letters fit between them. Check the x-height.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Draw a North Pole House: Snow Roof, Workshop and Candy Details

Original task 4 / independent drawing and calculation

Task 4

Add three snow drift shapes to the roof edges: one bump, one wave and one curl. Then add two small candy shapes near the door. Describe how you ensured the scene still reads as a North Pole house rather than a cabin.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Full drawing sheet / reusable blank workspace

Reusable full drawing sheet for Tasks 1 to 4. Print another copy when needed. Keep all original task measurements; if a task specifies larger paper, use that paper size.
