Draw Your Favorite Animal Worksheet: Feature and Habitat Prompts

Original tasks 1, 2 / independent work

Task 1

A learner draws a bird with wings, a beak, two legs, and feathers, then labels only the wings and beak. The habitat sentence says 'It lives in a tree,' and a simple tree shape is drawn. The checklist marks body covering as feathers, limbs as two legs, and environment as tree. Is the worksheet complete under the rubric?

Task 2

A learner draws a fish with fins, a tail, and scales in water. Labels point to fins, tail, and scales. The habitat sentence says 'It lives in a desert,' but blue water shapes are drawn around the fish. The checklist marks body covering as scales, limbs as fins, and environment as water. What should be fixed?

Draw Your Favorite Animal Worksheet: Feature and Habitat Prompts

Original tasks 3, 4 / independent work

Task 3

A learner draws a dog with fur, four legs, a tail, and ears. Labels point to fur, legs, and ears. One label line for 'tail' crosses the leg label line and touches both the tail and a leg. The habitat sentence says 'It lives in a house,' and a simple house shape is drawn. The checklist is complete. What is the main problem, and how can it be fixed?

Task 4

A learner draws a turtle with a shell, four legs, and a head. Labels point to shell, legs, and head. The habitat sentence says 'It lives near a pond,' and a pond shape is drawn. The checklist marks body covering as shell, limbs as four legs, and environment as pond. The learner's handwriting is small but readable when viewed at normal distance. Is any rubric item unmet?
