Draw and Label Your Favorite Food: A Descriptive Drawing Worksheet Plan

How the draw-and-label layout works

Layout diagram: draw, label and describe

Layout only: short leader lines connect visible parts to short labels. The completed numbered-callout example is on the next reference page.

Taste: _____

Texture: _____

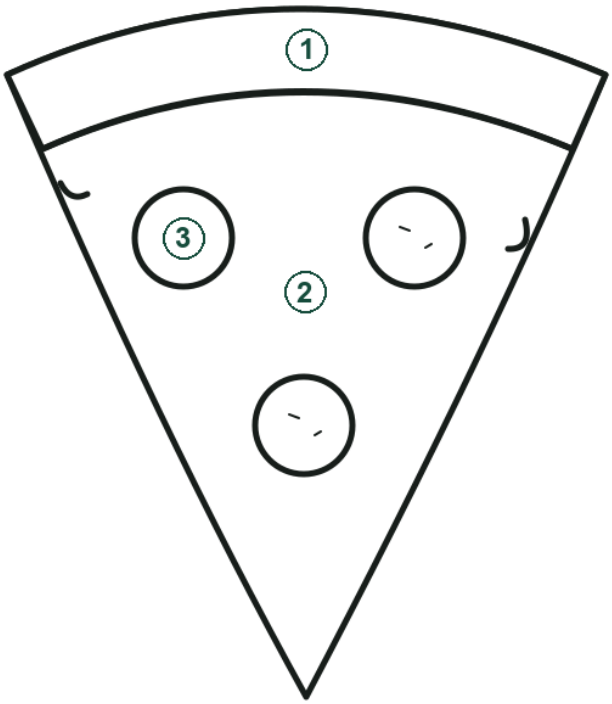

Ingredients: _____

color note 2

Draw and Label Your Favorite Food: A Descriptive Drawing Worksheet Plan

One completed numbered-callout example

Numbered-callout alternative: 1 crust, 2 cheese, 3 pepperoni. The three circles are the pepperoni slices, not three different food parts.

Reference example only. Use the separate blank worksheet for independent work; the hypothetical questions remain solvable from their text.
