Draw Yourself as a Superhero: Worksheet Design Guide

Original tasks 1, 2 / independent work

Task 1

A learner writes the power action 'Runs 100 metres in 8 seconds' and the limit 'Only on Tuesdays'. They tick cape, mask, gloves, and belt. They draw a circle emblem inside the box. List two things that meet the worksheet requirements and one thing to improve.

Task 2

A learner draws an emblem outside the square box and writes labels that sit on the baseline but do not reach the midline. They tick five costume items. Identify two corrections needed.

Original tasks 3, 4 / independent work

Task 3

A learner's power lines read: name 'Super Strength', action 'Lifts heavy things', limit 'Gets tired'. They tick cape and boots only. Suggest specific improvements to the power lines and checklist.

Task 4

A learner draws a figure with a cape, boots, belt, mask, and gloves, and ticks all five. Their emblem is a triangle inside the box with a one-sentence explanation. Their labels sit on the baseline and reach the midline. State whether the worksheet is complete and why.
