Face-Painting Line Drawing Practice: Feature Outlines and Motifs

Original task 1 / independent drawing and calculation

Task 1

In a 4 cm by 4 cm box, draw three cat whiskers. Each whisker starts on the left edge and ends 2 cm to the right. Keep each stroke between 0.5 cm and 1 cm from lowest to highest point. Describe your check.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Face-Painting Line Drawing Practice: Feature Outlines and Motifs

Original task 2 / independent drawing and calculation

Task 2

Draw a five-point star inside a 2 cm circle. Mark five points around the circle as 0, 1, 2, 3, and 4. Connect 0→2→4→1→3→0. State one way to check that the star stays inside the circle.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Face-Painting Line Drawing Practice: Feature Outlines and Motifs

Original task 3 / independent drawing and calculation

Task 3

On a face outline, place one star above each eyebrow and one swirl on each cheek. The star circles are 2 cm wide and the swirl circles are 1.5 cm wide. Describe placement and one boundary check.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Face-Painting Line Drawing Practice: Feature Outlines and Motifs

Original task 4 / independent drawing and calculation

Task 4

Trace one whisker motif and then draw it freehand in a second box. Compare the two. Name one difference you might accept and one you would fix.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Full drawing sheet / reusable blank workspace

Reusable full drawing sheet for Tasks 1 to 4. Print another copy when needed. Keep all original task measurements; if a task specifies larger paper, use that paper size.
