Guitar Chord Grid Paper: Diagram Chords Clearly

Original task 1 / independent drawing and calculation

Task 1

Draw a diagram for a hypothetical chord: string 6 open, string 5 fret 2, string 4 fret 2, string 3 fret 1, string 2 open, string 1 open. Use leftmost-is-string-6.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Guitar Chord Grid Paper: Diagram Chords Clearly

Original task 2 / independent drawing and calculation

Task 2

A student draws a dot on the first horizontal fret line for string 3. Explain the error and correct it for a hypothetical chord where string 3 is fretted at fret 1.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Guitar Chord Grid Paper: Diagram Chords Clearly

Original task 3 / independent drawing and calculation

Task 3

Draw a hypothetical barre chord: strings 6 through 1 all fretted at fret 3 with one barre. Show the barre and any open or muted marks.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Guitar Chord Grid Paper: Diagram Chords Clearly

Original task 4 / independent drawing and calculation

Task 4

Using a blank chord box with six vertical lines and four horizontal lines below the nut, sketch a hypothetical chord: string 6 X, string 5 fret 3, string 4 fret 2, string 3 open, string 2 fret 1, string 1 X. Then state one check you would perform.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Full drawing sheet / reusable blank workspace

Reusable full drawing sheet for Tasks 1 to 4. Print another copy when needed. Keep all original task measurements; if a task specifies larger paper, use that paper size.
