Think Outside the Box Drawing Worksheet: Creative Partial-Shape Completion

Original task 1 / independent drawing and calculation

Task 1

A partial shape is a half-circle with the flat side down. Complete it into a drawing that is not a smile or a bowl. Describe the drawing and state one detail that makes the idea clear.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Think Outside the Box Drawing Worksheet: Creative Partial-Shape Completion

Original task 2 / independent drawing and calculation

Task 2

A partial shape is a bent line shaped like a wide V. Complete it into a drawing that uses the V as a structural part. Describe the drawing and explain why it is not symmetry practice.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Think Outside the Box Drawing Worksheet: Creative Partial-Shape Completion

Original task 3 / independent drawing and calculation

Task 3

A partial shape is a short arc like a curved line. Complete it into a drawing that keeps the arc visible. Describe the drawing and give a self-check question the learner could use.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Think Outside the Box Drawing Worksheet: Creative Partial-Shape Completion

Original task 4 / independent drawing and calculation

Task 4

A learner completes an open square missing one side into a window frame with a drawing inside. Score the work using the rubric and suggest one improvement if the total is below 6.

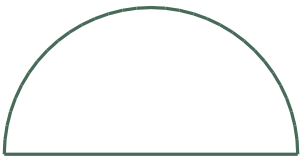

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Full drawing sheet / reusable blank workspace

Reusable full drawing sheet for Tasks 1 to 4. Print another copy when needed. Keep all original task measurements; if a task specifies larger paper, use that paper size.

Task 1 / practice

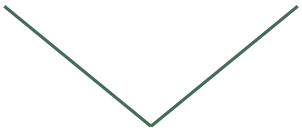

Original partial shape remains dark; additions are separate sample choices.

Add your own idea in the surrounding space. Do not erase the supplied shape. Your explanation:

Task 2 / practice

Original partial shape remains dark; additions are separate sample choices.

Add your own idea in the surrounding space. Do not erase the supplied shape. Your explanation:

Task 3 / practice

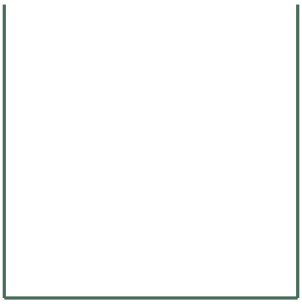

Original partial shape remains dark; additions are separate sample choices.

Add your own idea in the surrounding space. Do not erase the supplied shape. Your explanation:

Task 4 / practice

Original partial shape remains dark; additions are separate sample choices.

Add your own idea in the surrounding space. Do not erase the supplied shape. Your explanation:
