Negative Space Hair Drawing: See Gaps, Draw Silhouette

Original worked example / unchanged complete key

Prompt: A reference shows a hair mass with one enclosed gap 10 mm wide and 6 mm tall, and a silhouette dip 14 mm deep. Draw only the negative shapes and state your measurements.

Answer: Draw a closed oval 10 mm by 6 mm for the enclosed gap. Draw a curved wedge 14 mm deep for the silhouette dip. Label both with measurements in millimeters. Check that the oval's width matches 10 mm and the wedge depth matches 14 mm.
