Anime Gesture Drawing Practice: Pose Capture with Proportion Notes

Original task 1 / independent drawing and calculation

Task 1

A seated anime figure leaning forward with both hands on knees. Draw a one-minute gesture pass and record HC and joint dots. Use the chin-baseline-to-crown-midline head unit. State one check you will perform.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Anime Gesture Drawing Practice: Pose Capture with Proportion Notes

Original task 2 / independent drawing and calculation

Task 2

A running anime figure with one arm back and one leg forward. Draw a five-minute pass with proportion notes: HC, UA, LA, UL, LL, T. Use hypothetical example values and label them as such. State one arithmetic check.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Anime Gesture Drawing Practice: Pose Capture with Proportion Notes

Original task 3 / independent drawing and calculation

Task 3

A jumping anime figure with both arms up and knees bent. Draw three one-minute passes and one five-minute pass. Record HC in each pass and note whether the joint map stays consistent. Use the defined head unit.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Anime Gesture Drawing Practice: Pose Capture with Proportion Notes

Original task 4 / independent drawing and calculation

Task 4

A standing anime figure with a long coat silhouette (no folds drawn) and one hand on hip. Draw a five-minute pass with proportion notes and one valid alternative choice. State how your rubric accepts the alternative.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Full drawing sheet / reusable blank workspace

Reusable full drawing sheet for Tasks 1 to 4. Print another copy when needed. Keep all original task measurements; if a task specifies larger paper, use that paper size.
