Contour Drawing with Selected-Color Fill: Edge and Shape Study

Original task 1 / independent drawing and calculation

Task 1

A box is 6 cm tall and 3 cm wide. Draw its outer contour and one interior line that divides the front face from the side face. Fill the front face with one flat color and the side face with another. Describe any needed diagram in words.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Contour Drawing with Selected-Color Fill: Edge and Shape Study

Original task 2 / independent drawing and calculation

Task 2

A leaf shape is 10 cm long and 5 cm wide. Draw its outer contour and a central vein line that reaches both ends. Fill the left half with one flat color and the right half with another. Describe the diagram in words.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Contour Drawing with Selected-Color Fill: Edge and Shape Study

Original task 3 / independent drawing and calculation

Task 3

A cup with a handle is 7 cm tall and 3.5 cm wide at the body. Draw the outer silhouette including the handle opening, then fill the body with one flat color and the handle opening with another. Describe the diagram in words.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Contour Drawing with Selected-Color Fill: Edge and Shape Study

Original task 4 / independent drawing and calculation

Task 4

A simple house shape is 8 cm tall and 8 cm wide. Draw the outer contour, add a roof line that closes a triangle, and add one door rectangle that closes. Fill the roof, wall, and door with three flat colors. Describe the diagram in words.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Full drawing sheet / reusable blank workspace

Reusable full drawing sheet for Tasks 1 to 4. Print another copy when needed. Keep all original task measurements; if a task specifies larger paper, use that paper size.
