Black-and-White Contour Line Drawing: A Self-Check Practice Guide

Original task 1 / independent drawing and calculation

Task 1

Draw a simple leaf with one central vein and four side veins. Use one continuous outer contour and separate interior vein lines. No shading. Practice area: hypothetical 8 cm by 8 cm.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Black-and-White Contour Line Drawing: A Self-Check Practice Guide

Original task 2 / independent drawing and calculation

Task 2

Draw two overlapping circles, one nearer and one farther. The nearer circle overlaps the farther circle at two crossing points. Use one line color and resolve the overlaps correctly.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Black-and-White Contour Line Drawing: A Self-Check Practice Guide

Original task 3 / independent drawing and calculation

Task 3

Draw a cup with a handle. The handle forms a closed loop attached at two points. Use a separate closed contour for the handle and no shading. Practice area: hypothetical 12 cm by 12 cm.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Black-and-White Contour Line Drawing: A Self-Check Practice Guide

Original task 4 / independent drawing and calculation

Task 4

Draw a simple key: a rectangular shaft with a round bow at one end and two teeth at the other. Use one continuous outer contour and separate lines for the bow hole and tooth edges. No shading.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Full drawing sheet / reusable blank workspace

Reusable full drawing sheet for Tasks 1 to 4. Print another copy when needed. Keep all original task measurements; if a task specifies larger paper, use that paper size.
