Character Head Variations Worksheet: Drawing Multiple Designs from a Base

Original task 1 / independent drawing and calculation

Task 1

Draw one head from this base: oval with midline and center line. Cues: hair wide and flat, ears long and pointed, expression angry. Describe where the hair and ears attach and which expression cues you use.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Character Head Variations Worksheet: Drawing Multiple Designs from a Base

Original task 2 / independent drawing and calculation

Task 2

A student draws four heads but two thumbnails look almost the same. Which cue should they change, and how can they check the fix?

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Character Head Variations Worksheet: Drawing Multiple Designs from a Base

Original task 3 / independent drawing and calculation

Task 3

Draw a head with hair short and rounded, ears small and round, expression calm. Then draw a second head in the next cell that changes at least two cues. Describe the two changes.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Character Head Variations Worksheet: Drawing Multiple Designs from a Base

Original task 4 / independent drawing and calculation

Task 4

Measure a rectangular worksheet area that is 18 cm wide and 12 cm high. You want a grid of four equal cells in one row with a 1 cm margin on each side and 1 cm gaps between cells. What is the width of each cell? Use the actual paper measurement when building the worksheet.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Full drawing sheet / reusable blank workspace

Reusable full drawing sheet for Tasks 1 to 4. Print another copy when needed. Keep all original task measurements; if a task specifies larger paper, use that paper size.
