Dragon Scale Armor Drawing: Overlapping Rows and Edge Shading

Original task 1 / independent drawing and calculation

Task 1

Draw one row of four scales. Use, for example, scales 3 cm wide and 2 cm tall (chosen example values) with 1 cm overlap. Shade the visible lower edges.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Dragon Scale Armor Drawing: Overlapping Rows and Edge Shading

Original task 2 / independent drawing and calculation

Task 2

Draw two rows of three scales. Use, for example, scales 2 cm wide and 1.5 cm tall (chosen example values), overlap 0.5 cm, offset row two by 1 cm, and place row two so its tops sit 0.5 cm above row one's bottoms. Shade visible edges.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Dragon Scale Armor Drawing: Overlapping Rows and Edge Shading

Original task 3 / independent drawing and calculation

Task 3

Draw three rows of five scales. Use, for example, scales 1.5 cm wide and 1 cm tall (chosen example values), overlap 0.5 cm, offset row two by 0.75 cm, and align row three with row one. Shade visible edges.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Dragon Scale Armor Drawing: Overlapping Rows and Edge Shading

Original task 4 / independent drawing and calculation

Task 4

Draw two rows of four scales. Use, for example, scales 2.5 cm wide and 1.8 cm tall (chosen example values), overlap 0.8 cm, and offset row two by 1.25 cm. Use hatching for edge shading.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Full drawing sheet / reusable blank workspace

Reusable full drawing sheet for Tasks 1 to 4. Print another copy when needed. Keep all original task measurements; if a task specifies larger paper, use that paper size.
