Contour Drawing of Deadpool: Outline-Only vs Detail Pass

Original task 1 / independent drawing and calculation

Task 1

On a 15 cm by 20 cm paper, draw two 6 cm by 8 cm boxes. In box A, draw an outline-only Deadpool silhouette using the basic-shape reference. In box B, trace the silhouette and add exactly two eye ovals and one belt line. Keep all detail lines inside the silhouette.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Contour Drawing of Deadpool: Outline-Only vs Detail Pass

Original task 2 / independent drawing and calculation

Task 2

A student draws pass one with a closed silhouette and pass two with the same silhouette plus a vertical seam that extends 1 cm above the head. Identify the error and state the fix.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Contour Drawing of Deadpool: Outline-Only vs Detail Pass

Original task 3 / independent drawing and calculation

Task 3

You have a 10 cm by 14 cm drawing space. You want two equal boxes with a 1 cm gap between them and 1 cm margins on all sides. Using hypothetical values, calculate a possible box width and height, then state whether the boxes fit.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Contour Drawing of Deadpool: Outline-Only vs Detail Pass

Original task 4 / independent drawing and calculation

Task 4

Compare two passes: pass one has a rounded head and straight torso; pass two has the same silhouette but adds a belt line that stops 0.5 cm short of the torso edge on both sides. Is pass two valid? Explain.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Full drawing sheet / reusable blank workspace

Reusable full drawing sheet for Tasks 1 to 4. Print another copy when needed. Keep all original task measurements; if a task specifies larger paper, use that paper size.
