Contour Line Drawing of a Football: Form and Practice

Original task 1 / independent drawing and calculation

Task 1

Draw a football from the side, resting on a baseline. Use a hypothetical width of 12 units and height of 10 units. Include the outer contour and one internal arc near the top.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Contour Line Drawing of a Football: Form and Practice

Original task 2 / independent drawing and calculation

Task 2

Draw a football viewed slightly from above. Show the outer contour and two internal arcs: one near the top and one near the bottom. Use a hypothetical height of 8 units and width of 9 units.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Contour Line Drawing of a Football: Form and Practice

Original task 3 / independent drawing and calculation

Task 3

Draw a football with a hypothetical width of 10 units and height of 9 units. Add three internal contour lines that follow the form. Vary line weight slightly.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Contour Line Drawing of a Football: Form and Practice

Original task 4 / independent drawing and calculation

Task 4

Draw a football resting on a baseline. Use a hypothetical width of 11 units and height of 10 units. Include the outer contour and a short internal arc near the bottom to show flattening.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Full drawing sheet / reusable blank workspace

Reusable full drawing sheet for Tasks 1 to 4. Print another copy when needed. Keep all original task measurements; if a task specifies larger paper, use that paper size.
