Isometric Monument Drawing: Axes, Blocks, and Annotated Forms

Original task 1 / independent drawing and calculation

Task 1

Draw a single block 3W by 2D by 2H on an isometric grid. Annotate the axes and state a shading rule.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Isometric Monument Drawing: Axes, Blocks, and Annotated Forms

Original task 2 / independent drawing and calculation

Task 2

Draw a monument with a base 5W by 4D by 1H and a centered column 2W by 2D by 4H. Annotate all counts.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Isometric Monument Drawing: Axes, Blocks, and Annotated Forms

Original task 3 / independent drawing and calculation

Task 3

Draw a stepped monument: three blocks stacked, each 1 unit smaller in W and D than the one below, starting with 5W by 5D by 1H. State the shading rule.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Isometric Monument Drawing: Axes, Blocks, and Annotated Forms

Original task 4 / independent drawing and calculation

Task 4

Draw a monument with a base 4W by 4D by 1H, a column 1W by 1D by 5H centered, and a cap 2W by 2D by 1H centered on the column. Annotate axes and counts.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Full drawing sheet / reusable blank workspace

Reusable full drawing sheet for Tasks 1 to 4. Print another copy when needed. Keep all original task measurements; if a task specifies larger paper, use that paper size.
