Contour Drawing Keys: Outline-Only Practice

Original task 1 / independent drawing and calculation

Task 1

Draw one key 10 cm long with a bow 2.5 cm wide and a shaft 6 cm long. Include one ring hole and two notches. Use a 1.5 cm margin on 15 cm by 20 cm paper.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Contour Drawing Keys: Outline-Only Practice

Original task 2 / independent drawing and calculation

Task 2

Draw two keys on one sheet, each 8 cm long, with 1 cm between them and 1 cm margins. Key A has a bow 2 cm wide, a bit 1 cm long, and one notch. Key B has a bow 2.5 cm wide, a bit 1 cm long, and three notches. Use 20 cm by 15 cm paper, placing the keys along the 20 cm side.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Contour Drawing Keys: Outline-Only Practice

Original task 3 / independent drawing and calculation

Task 3

Draw a hand holding a ring with two keys. One key points left and one points right. The ring is drawn as an ellipse outline 2 cm wide and 1 cm tall. Show only visible contours and stop lines at finger overlaps.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Contour Drawing Keys: Outline-Only Practice

Original task 4 / independent drawing and calculation

Task 4

Draw a key ring with three keys arranged in a fan. Each key is 6 cm long with a bow 1.5 cm wide and a bit 1 cm long. The ring is a closed contour 3 cm across. Use 18 cm by 18 cm paper with 2 cm margins.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

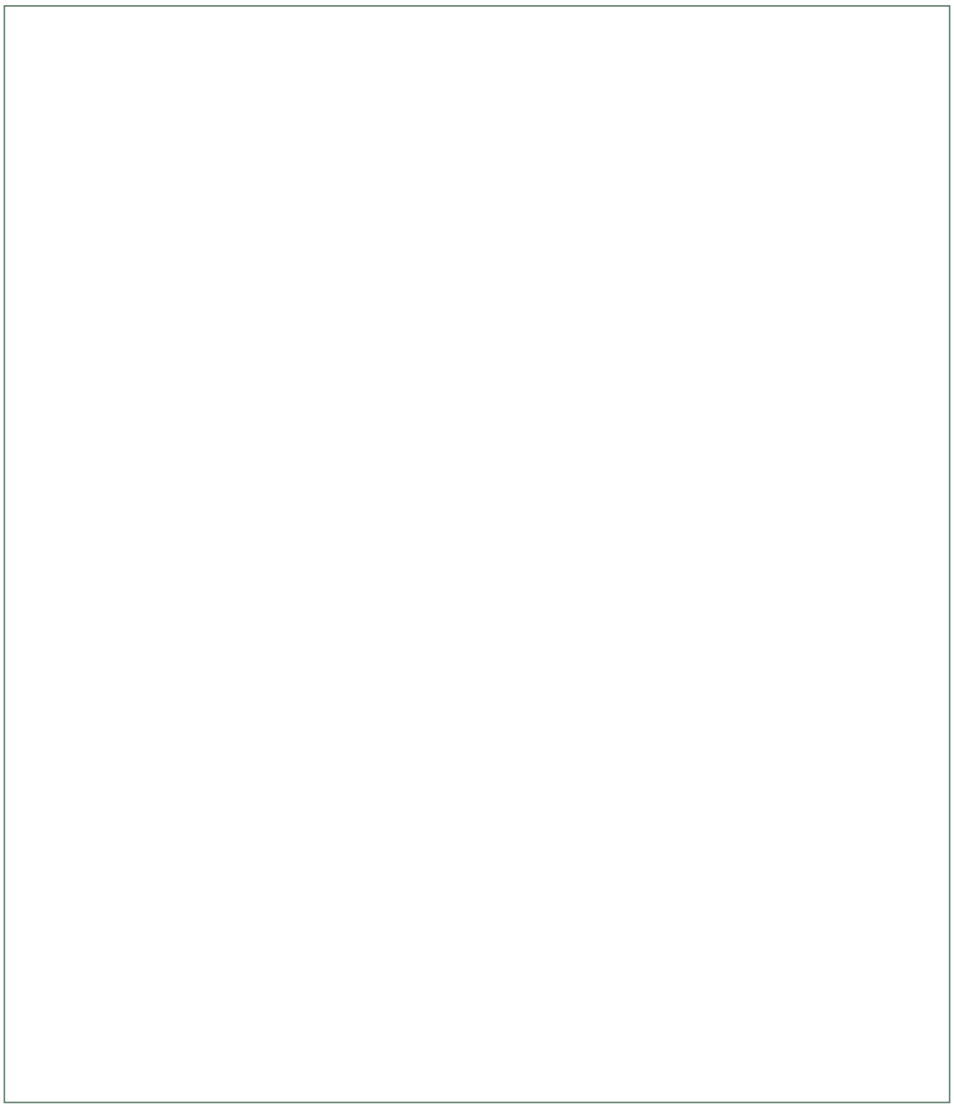

Full drawing sheet / reusable blank workspace

Reusable full drawing sheet for Tasks 1 to 4. Print another copy when needed. Keep all original task measurements; if a task specifies larger paper, use that paper size.
