Draw Mermaid Scale Makeup: Layered Gradient and Shimmer Guide

Original tasks 1, 2 / independent work

Task 1

A cheek zone is 10 cm wide and 6 cm tall. You draw scales 1 cm wide and rows 1 cm tall, with five scales per row. How many rows fit, and how many scales in total?

Task 2

You have three tones: pale, mid, and deep. You apply the mid tone to the lower half of each scale and the deep tone to the lower edge. If the light comes from the upper right, which side of each scale stays pale?

Draw Mermaid Scale Makeup: Layered Gradient and Shimmer Guide

Original tasks 3, 4 / independent work

Task 3

You place one shimmer dot on every third scale in a row of nine scales. How many dots are in that row?

Task 4

A design uses five scales per row and six rows. You want to add one deep accent to the lower edge of every scale in the bottom two rows only. How many deep accents are added?
