Draw a Monet-Style Bridge: Arch and Reflection Worksheet Plan

Original task 1 / independent drawing and calculation

Task 1

Draw only the arch guide on a landscape page: mark a deck baseline, two springing points 10 cm apart (hypothetical), and a top point 5 cm above the midpoint. Draw a smooth curve through the points.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Draw a Monet-Style Bridge: Arch and Reflection Worksheet Plan

Original task 2 / independent drawing and calculation

Task 2

Add a deck band and five posts to the arch from the previous exercise. Keep the posts vertical and evenly spaced, and do not let any post cross the arch.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Draw a Monet-Style Bridge: Arch and Reflection Worksheet Plan

Original task 3 / independent drawing and calculation

Task 3

Below a waterline, draw the reflection of the arch and posts from the previous exercise. Add at least six horizontal ripple marks across the reflection area.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Draw a Monet-Style Bridge: Arch and Reflection Worksheet Plan

Original task 4 / independent drawing and calculation

Task 4

Color the bridge and reflection using at least three colors and short overlapping strokes. Keep the arch edge and ripple marks visible, then check the drawing from a short distance.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Full drawing sheet / reusable blank workspace

Reusable full drawing sheet for Tasks 1 to 4. Print another copy when needed. Keep all original task measurements; if a task specifies larger paper, use that paper size.
