NYC Skyline Drawing and Landmark Labeling Worksheet Plan

Original task 1 / independent drawing and calculation

Task 1

On a practice strip, first draw a drawing baseline and mark a drawing midline 6 cm above it (hypothetical example; adjust to your strip). Mark three points 2 cm apart along the baseline. Sketch three building silhouettes with bases on the baseline. The tallest top should be 1 cm below the drawing midline. Describe how you check spacing.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

NYC Skyline Drawing and Landmark Labeling Worksheet Plan

Original task 2 / independent drawing and calculation

Task 2

Draw two label boxes for two landmarks. Write a short name in each with x-height between baseline and midline. One box is 3 cm from its landmark; add a leader line. Describe how you verify the leader line does not cross the other box.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

NYC Skyline Drawing and Landmark Labeling Worksheet Plan

Original task 3 / independent drawing and calculation

Task 3

A skyline sketch has four buildings. The spacing between centers is 2 cm, 3 cm, and 2 cm. The drawing midline is 6 cm above the baseline. The tallest top is at 7 cm above the baseline. State one correction and one check.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

NYC Skyline Drawing and Landmark Labeling Worksheet Plan

Original task 4 / independent drawing and calculation

Task 4

Write three landmark labels in the practice strip. Use any legible letter style. Keep x-height between baseline and midline. Describe how you check that no label overlaps another.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Full drawing sheet / reusable blank workspace

Reusable full drawing sheet for Tasks 1 to 4. Print another copy when needed. Keep all original task measurements; if a task specifies larger paper, use that paper size.
