Random Object Drawing Practice: Observation Prompts and Proportion Notes

Original task 1 / independent drawing and calculation

Task 1

A described setup shows a mug. Its height is measured as 10 cm and its diameter as 8 cm. Sketch a quick contour and write one proportion note in consistent units.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Random Object Drawing Practice: Observation Prompts and Proportion Notes

Original task 2 / independent drawing and calculation

Task 2

A described setup shows a spoon. Its bowl length is 4 cm and its handle length is 12 cm. Sketch a quick contour and write one proportion note in consistent units.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Random Object Drawing Practice: Observation Prompts and Proportion Notes

Original task 3 / independent drawing and calculation

Task 3

A described setup shows a shoe. Its length is 28 cm and its width is 10 cm. Sketch a quick contour and write one proportion note in consistent units.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Random Object Drawing Practice: Observation Prompts and Proportion Notes

Original task 4 / independent drawing and calculation

Task 4

A described setup shows a folded towel. Its longest fold is 30 cm and its shortest fold is 15 cm. Sketch a quick contour and write one proportion note in consistent units.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Full drawing sheet / reusable blank workspace

Reusable full drawing sheet for Tasks 1 to 4. Print another copy when needed. Keep all original task measurements; if a task specifies larger paper, use that paper size.
