How to Draw Scales on a Dragon Face: Row-by-Row Guide

Original tasks 1, 2 / independent work

Task 1

A muzzle is 12 cm tall. You choose a row height of 2 cm. How many rows fit, and what offset do you use between rows?

Task 2

You draw a brow row with 8 scales. The next row should be offset by half a scale width. If each scale is 1 cm wide, how far is the offset?

How to Draw Scales on a Dragon Face: Row-by-Row Guide

Original tasks 3, 4 / independent work

Task 3

A face outline is 20 cm tall. The brow area is 4 cm tall and the muzzle is 10 cm tall. Using a 1 cm row height, how many rows cover the brow and muzzle together?

Task 4

You choose a light direction from the upper right. A scale overlaps the one below it. Where do you place the shadow on the upper scale, and why?
