Contour Drawing a Seminole Chickee Hut

Original tasks 1, 2 / independent work

Task 1

Draw a chickee hut from the front with two posts and a platform line. Use only contour lines and a stepped thatch boundary.

Task 2

Draw the same hut from a slight angle so one post is partly hidden behind another. Note the hidden post in your check.

Contour Drawing a Seminole Chickee Hut

Original tasks 3, 4 / independent work

Task 3

Draw only the thatch roof boundary as a practice strip, using ten short strokes that step downward from left to right.

Task 4

Draw a chickee hut with three visible posts and a platform line, then mark one place where a thatch stroke overlaps a post line.
