Cartoon Flute Player: Seated Pose Drawing Guide

Original task 1 / independent drawing and calculation

Task 1

In a 10 cm by 14 cm pose box, draw a seated cartoon flute player with the flute horizontal at mouth height. Place the left hand near the embouchure oval and the right hand about two-thirds along the flute. Check that both hands touch the flute and the figure fits the box.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Cartoon Flute Player: Seated Pose Drawing Guide

Original task 2 / independent drawing and calculation

Task 2

Draw a seated cartoon flute player whose torso tilts forward about 10 degrees from vertical. Keep thighs horizontal and lower legs vertical. Add a horizontal flute with hands touching it. Label the hip line and floor line using any legible letter style.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Cartoon Flute Player: Seated Pose Drawing Guide

Original task 3 / independent drawing and calculation

Task 3

Create a cartoon flute player with a flute spanning about 70 percent of a 15 cm wide pose box. Place the embouchure oval near the left end and the lip plate line perpendicular. Add both hands touching the flute. State the flute length you used in centimeters.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Cartoon Flute Player: Seated Pose Drawing Guide

Original task 4 / independent drawing and calculation

Task 4

Draw two versions of a seated cartoon flute player in separate pose boxes: one with the head level and one with the head tilted slightly down toward the flute. Keep the flute horizontal and hands touching in both. List one difference and one similarity between the versions.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Full drawing sheet / reusable blank workspace

Reusable full drawing sheet for Tasks 1 to 4. Print another copy when needed. Keep all original task measurements; if a task specifies larger paper, use that paper size.
