Toony Furry Head Drawing Practice: Feature Placement

Original task 1 / independent drawing and calculation

Task 1

Draw a head box 8 units wide. Place eyes 2 units apart centered on the midline. Place the nose on the centerline. Measure each eye's distance to the centerline and state whether placement is balanced.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Toony Furry Head Drawing Practice: Feature Placement

Original task 2 / independent drawing and calculation

Task 2

Draw a head box 12 units wide. Place eyes 3 units apart centered on the midline. Place ears 2 units from the top corners. Check that eye distances to the centerline are equal.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Toony Furry Head Drawing Practice: Feature Placement

Original task 3 / independent drawing and calculation

Task 3

Draw a head box 10 units wide. Place the nose 1 unit to the right of the centerline intentionally. Place eyes 4 units apart centered on the midline. State the nose offset and eye distances.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Toony Furry Head Drawing Practice: Feature Placement

Original task 4 / independent drawing and calculation

Task 4

Draw a head box 6 units wide. Place eyes 1 unit apart centered on the midline. Place the mouth 1 unit below the nose. Check eye distances and mouth offset from the nose.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Full drawing sheet / reusable blank workspace

Reusable full drawing sheet for Tasks 1 to 4. Print another copy when needed. Keep all original task measurements; if a task specifies larger paper, use that paper size.
