Draw Your Own City: A Three-Zone Scene Worksheet for Kids

Original task 1 / independent drawing and calculation

Task 1

A paper is 24 cm tall. A child chooses sky 7 cm, buildings 10 cm, and street 7 cm. Do the bands add up to the paper height? Show the arithmetic.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Draw Your Own City: A Three-Zone Scene Worksheet for Kids

Original task 2 / independent drawing and calculation

Task 2

A scene shows a flat-roof tower, a second flat-roof tower with the same outline, and a pointed-roof house. The child claims three building types. Is the claim correct? Explain.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Draw Your Own City: A Three-Zone Scene Worksheet for Kids

Original task 3 / independent drawing and calculation

Task 3

A child draws a sun at the top of the building band and a cloud that crosses into the building band. The street band has a labeled crosswalk. List two fixes needed to meet the checklist.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Draw Your Own City: A Three-Zone Scene Worksheet for Kids

Original task 4 / independent drawing and calculation

Task 4

A child uses a legend at the bottom of the street band instead of connecting lines to label buildings. The legend lists TOWER, HOUSE, and HALL with small matching shapes. Is this a valid labeling convention? Explain.

Keep the original task measurements. Use the full drawing sheet in this PDF for a response needing more room; use the stated paper size when a task specifies larger paper.

Full drawing sheet / reusable blank workspace

Reusable full drawing sheet for Tasks 1 to 4. Print another copy when needed. Keep all original task measurements; if a task specifies larger paper, use that paper size.
