Monstera Leaf Contour Drawing: Split Silhouette and Fenestration

Original tasks 1, 2 / independent work

Task 1

A reference leaf is 16 cm long and 12 cm wide. You draw it 8 cm long. Find the scale and the drawn width.

Task 2

On a 24 cm reference leaf, a marginal split is 6 cm deep. On your drawing the same split is 2 cm deep. Find both depth ratios and state whether they match.

Monstera Leaf Contour Drawing: Split Silhouette and Fenestration

Original tasks 3, 4 / independent work

Task 3

A leaf has three fenestrations. In a 4 by 4 grid, the largest sits in row 2, column 2. Your drawing places it in row 3, column 2. Describe one proportional adjustment and one check.

Task 4

You draw a blind contour for 75 seconds without looking at the paper. The result is distorted. State the next step and one rule to keep in the normal contour.
