# Draw a Musical Scale on a Staff: Step-by-Step Note Placement

Original tasks 1, 2 / independent work

## Task 1

On a treble staff, place all eight notes of G major from G4 to G5. List each note name and its line or space.

## Task 2

A student writes G4 on line 2, A4 in space 2, B4 on line 3, C5 on line 4, and D5 on line 4. Find the first placement error and correct it.

# Draw a Musical Scale on a Staff: Step-by-Step Note Placement

Original tasks 3, 4 / independent work

## Task 3

Staff lines are 8 mm apart. If line 3 is at y=16 mm and line 4 is at y=24 mm, where is the center of space 3 for C5? If the note head is 4 mm tall, give its top and bottom edges when centered.

## Task 4

Compare G4–A4 and F-sharp5–G5 in the G-major scale. For each pair, state the pitch interval type and the number of staff positions moved.
