Domain and Range from Graphs

STUDENT / CASE 1

The connected segments shown have filled endpoints. Give the domain and range in interval notation.

Your answer and reasoning:

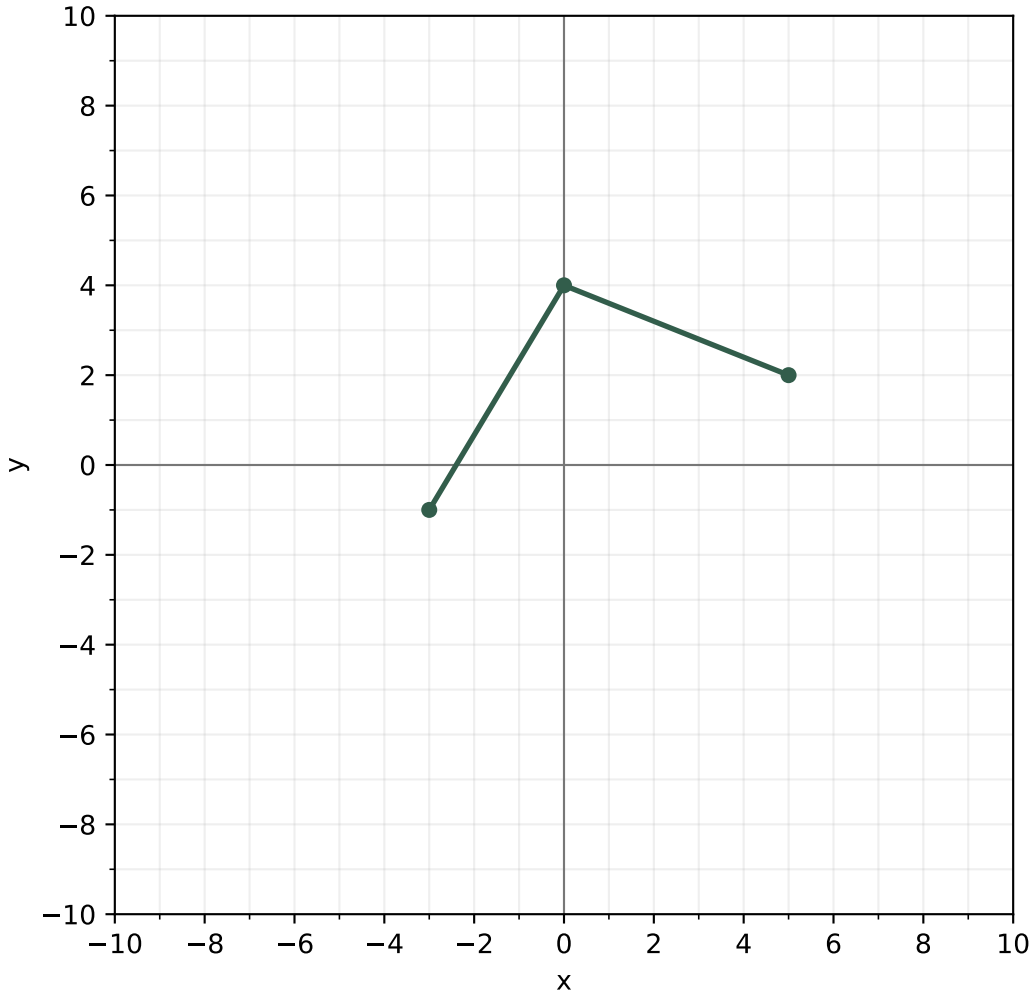

_____

_____

Domain and Range from Graphs

STUDENT / CASE 2

The connected segments shown have filled endpoints. Give the domain and range in interval notation.

Your answer and reasoning:

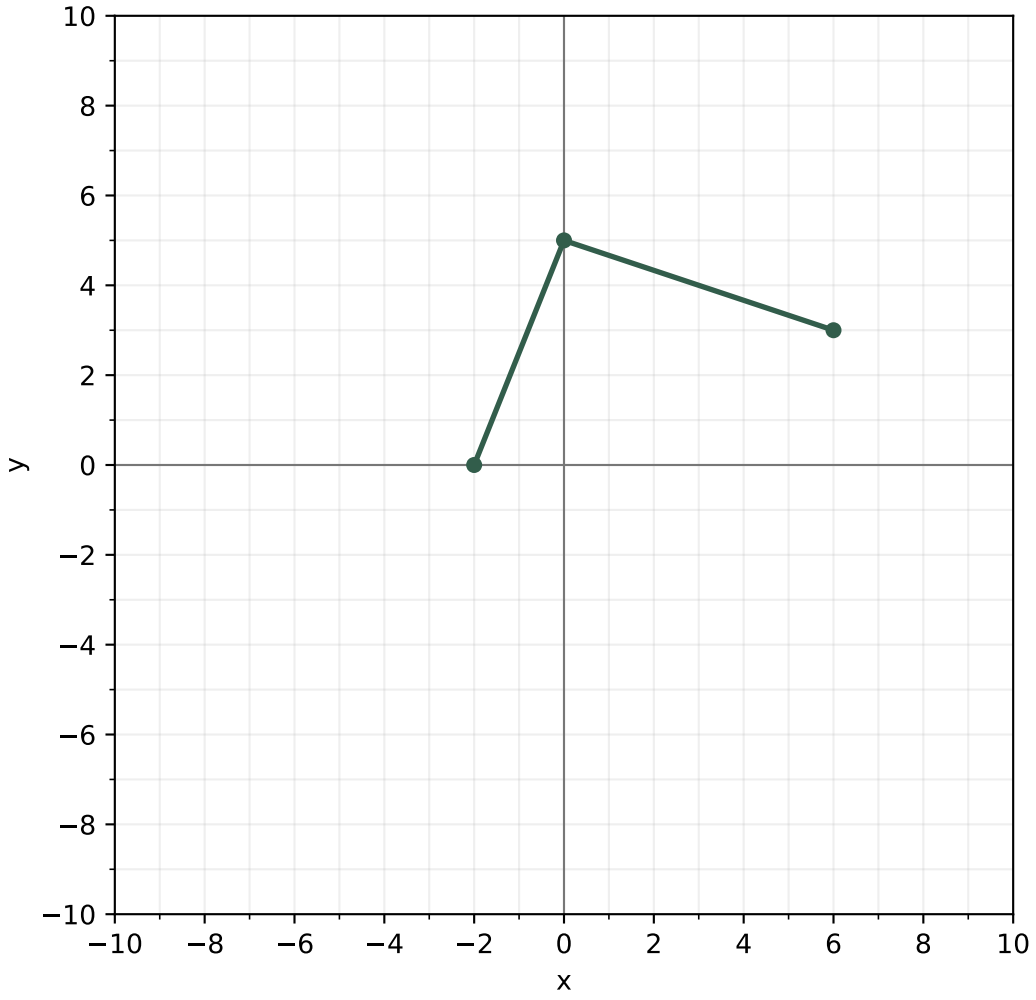

_____

_____

Domain and Range from Graphs

STUDENT / CASE 3

The connected segments shown have filled endpoints. Give the domain and range in interval notation.

Your answer and reasoning:

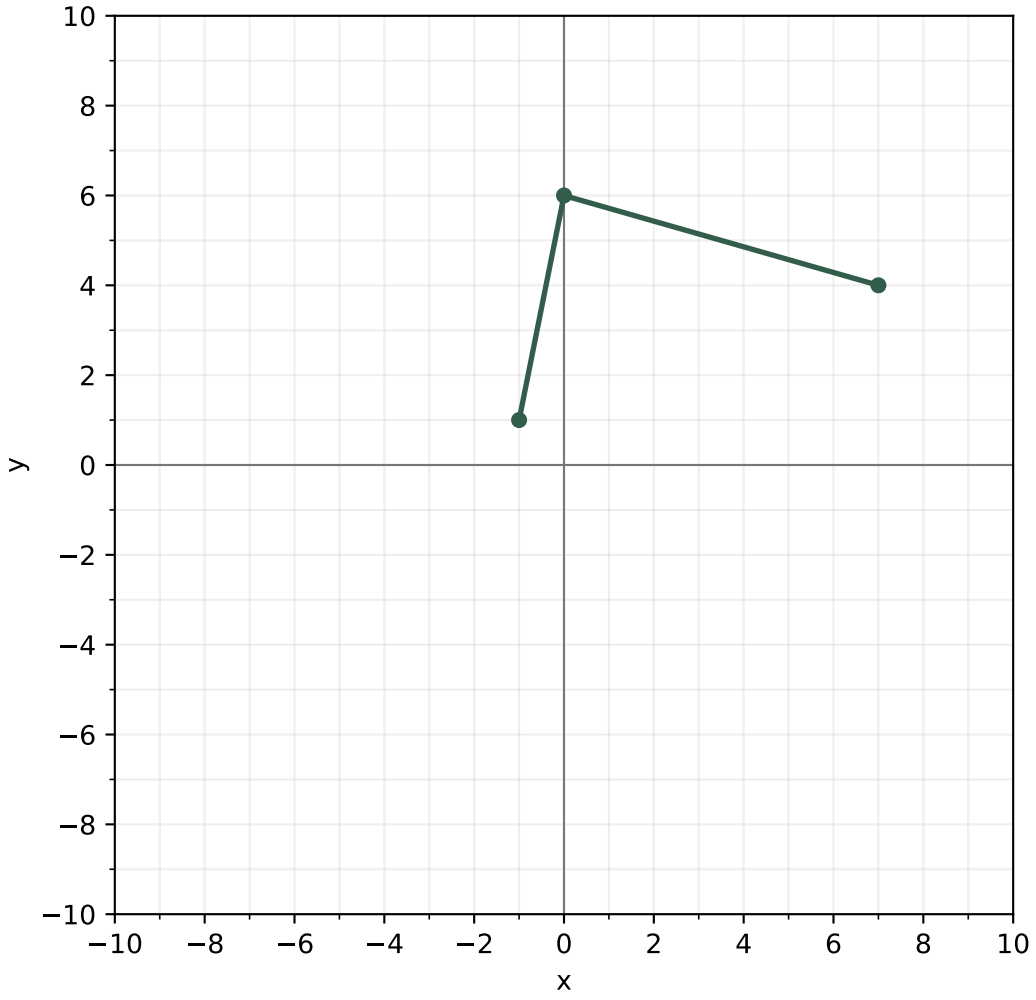

_____

_____

Domain and Range from Graphs

STUDENT / CASE 4

The connected segments shown have filled endpoints. Give the domain and range in interval notation.

Your answer and reasoning:

_____

_____
