Multiplying Fractions Worksheets

ANSWER / CASE 1

Calculate 1/3 * 1/4. Give the answer in simplest form.

1/4

1/3

ANSWER: 1/12
1. Multiply numerators and denominators; cancel common factors.
2. The exact simplified result is 1/12.

Multiplying Fractions Worksheets

ANSWER / CASE 2

Calculate 1/2 * 1/5. Give the answer in simplest form.

1/5

1/2

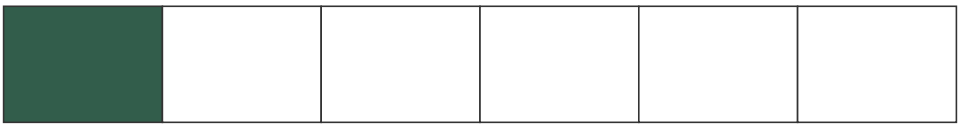

ANSWER: 1/10
1. Multiply numerators and denominators; cancel common factors.
2. The exact simplified result is 1/10.

Multiplying Fractions Worksheets

ANSWER / CASE 3

Calculate 3/5 * 1/6. Give the answer in simplest form.

1/6

3/5

ANSWER: 1/10
1. Multiply numerators and denominators; cancel common factors.
2. The exact simplified result is 1/10.

Multiplying Fractions Worksheets

ANSWER / CASE 4

Calculate 2/3 * 1/7. Give the answer in simplest form.

1/7

2/3

ANSWER: 2/21
1. Multiply numerators and denominators; cancel common factors.
2. The exact simplified result is 2/21.
