How to Draw Beetle — Free Practice Sheets

REFERENCE / CASE 1

beetle: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

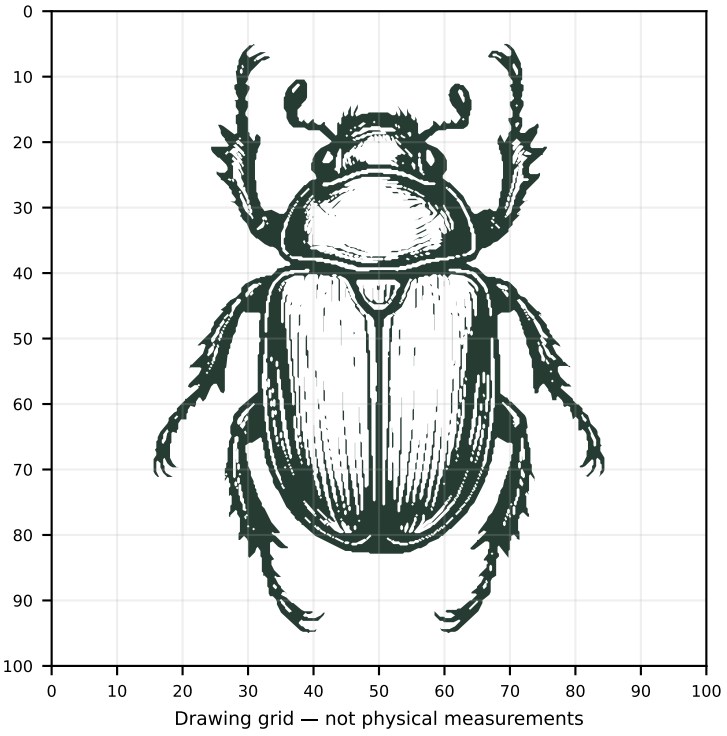

METHOD: Draw a vertical oval for the main body (elytra) with a center seam and vertical lines. Add a rounded pronotum above the body and a smaller head with two antennae. Attach three legs on each side of the body, showing joints and claws. Outline the wing covers and add line details for texture.
Use the separate practice sheet before checking the answer.
