How to Draw Manatee — Free Practice Sheets

REFERENCE / CASE 1

manatee: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

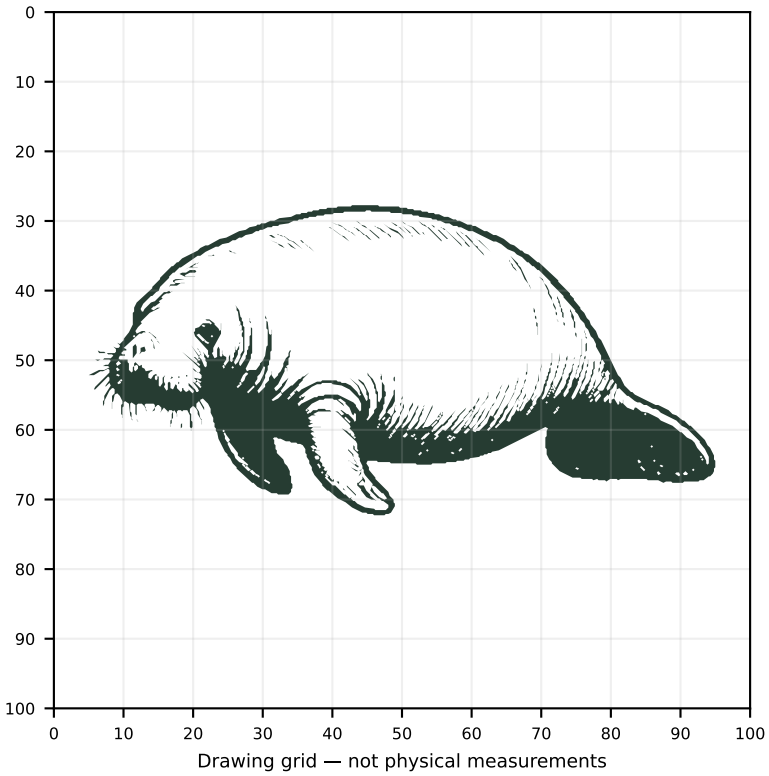

METHOD: Draw a large, rounded oval for the bulky body, tapering toward the rear. Add a small, rounded head at the front with a snout and whiskers. Attach a broad, paddle-shaped tail at the back. Draw two flippers under the front of the body, one slightly behind the other.
Use the separate practice sheet before checking the answer.
