# How to Draw Elk — Free Practice Sheets

**REFERENCE / CASE 1**

elk: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

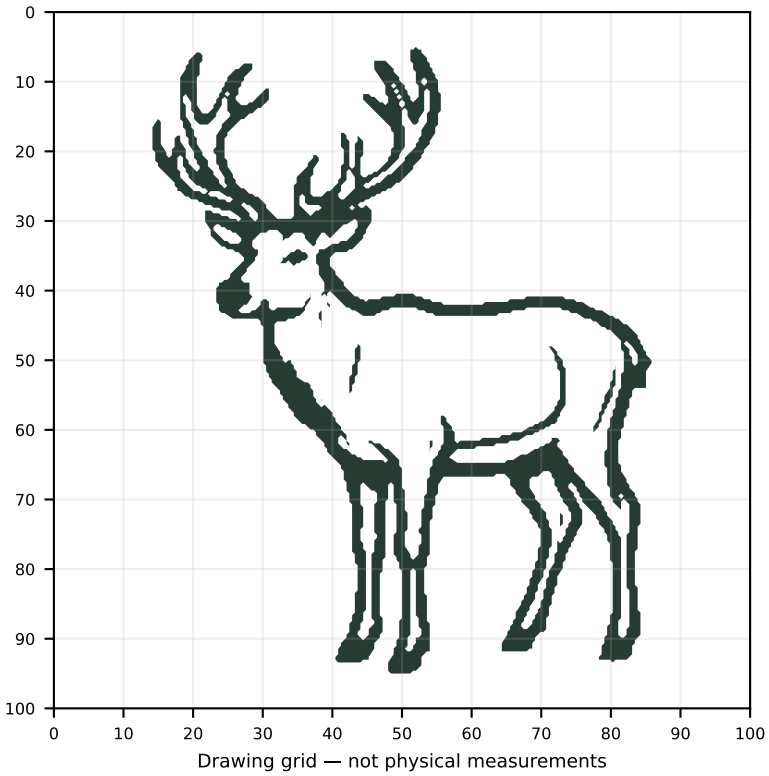

METHOD: Draw the head with a rounded muzzle and pointed ears, then add the large branching antlers above the head. Sketch a thick neck with a shaggy mane line down the front, connecting to a rounded body outline. Add four long legs with visible joints and hooves, keeping the front and rear legs separated. Finish the body with a smooth back line and a short tail, then outline the shapes with clean black lines.
Use the separate practice sheet before checking the answer.

# How to Draw Elk — Free Practice Sheets

**REFERENCE / CASE 2**

elk: Copy the reference onto the blank grid, using matching grid intersections. Compare with the separate full reference sheet.

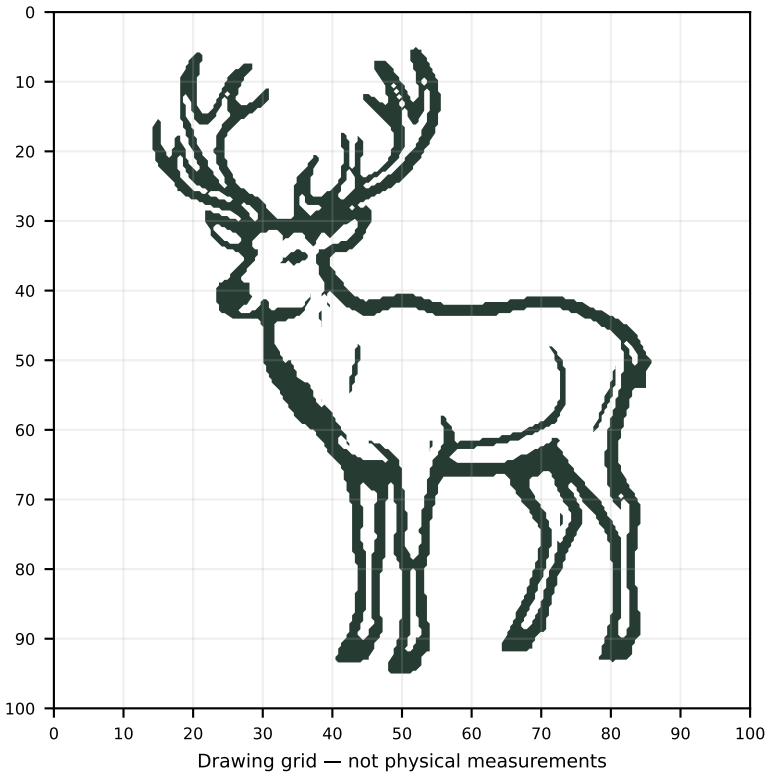

METHOD: Draw the head with a rounded muzzle and pointed ears, then add the large branching antlers above the head. Sketch a thick neck with a shaggy mane line down the front, connecting to a rounded body outline. Add four long legs with visible joints and hooves, keeping the front and rear legs separated. Finish the body with a smooth back line and a short tail, then outline the shapes with clean black lines.
Use the separate practice sheet before checking the answer.

# How to Draw Elk — Free Practice Sheets

**REFERENCE / CASE 3**

elk: Use the bounding frame and center guide to place the silhouette, then add the identifying details. Compare with the separate full reference sheet.

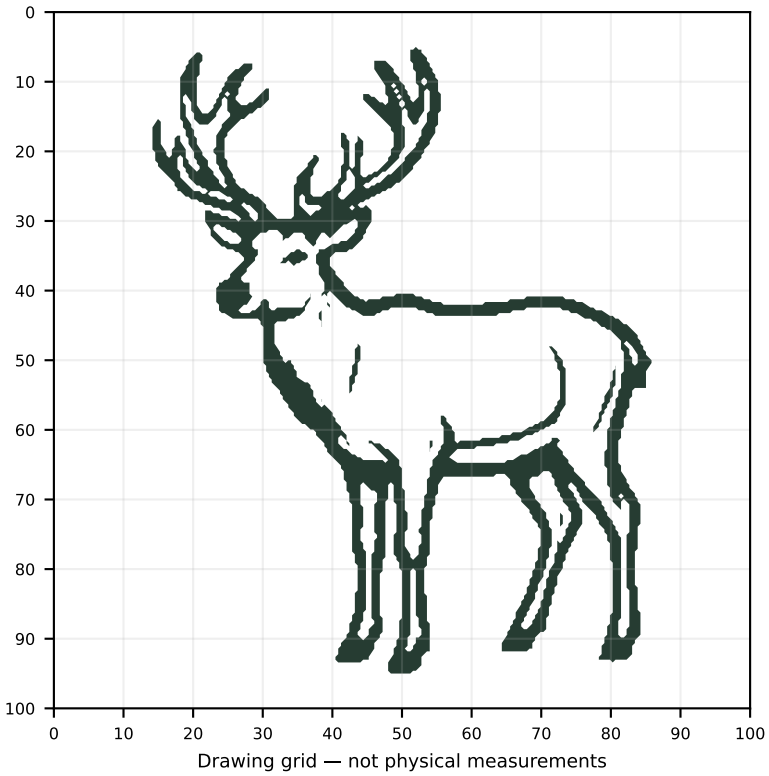

METHOD: Draw the head with a rounded muzzle and pointed ears, then add the large branching antlers above the head. Sketch a thick neck with a shaggy mane line down the front, connecting to a rounded body outline. Add four long legs with visible joints and hooves, keeping the front and rear legs separated. Finish the body with a smooth back line and a short tail, then outline the shapes with clean black lines.
Use the separate practice sheet before checking the answer.

# How to Draw Elk — Free Practice Sheets

**REFERENCE / CASE 4**

elk: Complete the blank right-hand portion using the full reference. Compare with the separate full reference sheet.

METHOD: Draw the head with a rounded muzzle and pointed ears, then add the large branching antlers above the head. Sketch a thick neck with a shaggy mane line down the front, connecting to a rounded body outline. Add four long legs with visible joints and hooves, keeping the front and rear legs separated. Finish the body with a smooth back line and a short tail, then outline the shapes with clean black lines.
