How to Draw Elk — Free Practice Sheets

ANSWER / CASE 1

elk: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

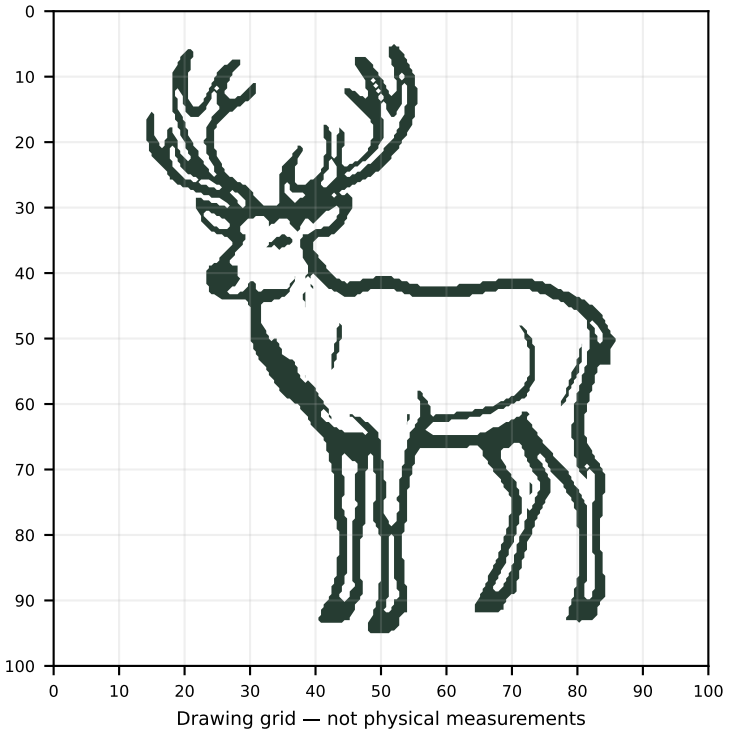

ANSWER: Example solution: preserve large branching antlers, long legs, thick neck mane. Other drawings can be correct; assess the visible features and proportions rather than pixel-perfect matching.
1. Draw the head with a rounded muzzle and pointed ears, then add the large branching antlers above the head.
2. Sketch a thick neck with a shaggy mane line down the front, connecting to a rounded body outline.
3. Add four long legs with visible joints and hooves, keeping the front and rear legs separated.
4. Finish the body with a smooth back line and a short tail, then outline the shapes with clean black lines.

How to Draw Elk — Free Practice Sheets

ANSWER / CASE 2

elk: Copy the reference onto the blank grid, using matching grid intersections. Compare with the separate full reference sheet.

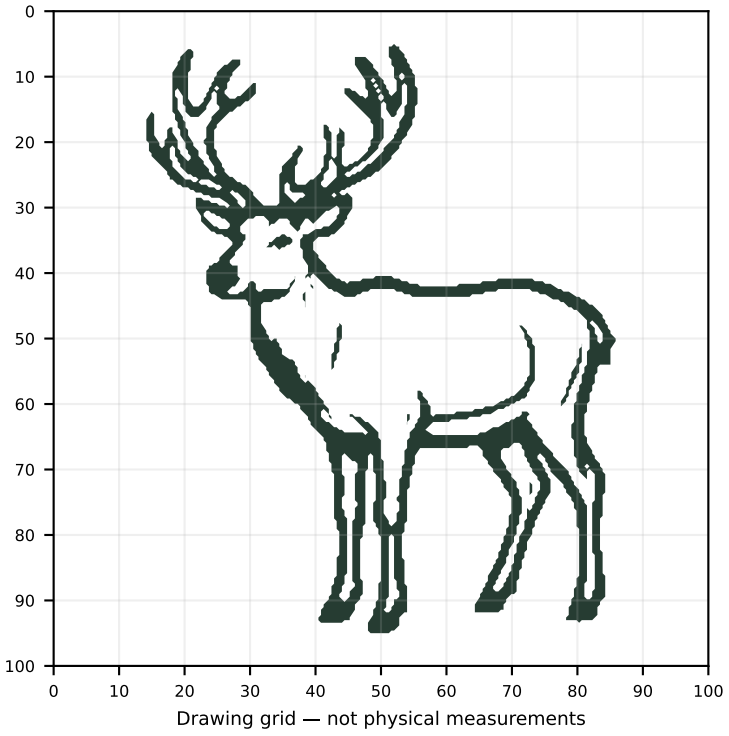

ANSWER: Example solution: preserve large branching antlers, long legs, thick neck mane. Other drawings can be correct; assess the visible features and proportions rather than pixel-perfect matching.
1. Draw the head with a rounded muzzle and pointed ears, then add the large branching antlers above the head.
2. Sketch a thick neck with a shaggy mane line down the front, connecting to a rounded body outline.
3. Add four long legs with visible joints and hooves, keeping the front and rear legs separated.
4. Finish the body with a smooth back line and a short tail, then outline the shapes with clean black lines.

ANSWER / CASE 3

elk: Use the bounding frame and center guide to place the silhouette, then add the identifying details. Compare with the separate full reference sheet.

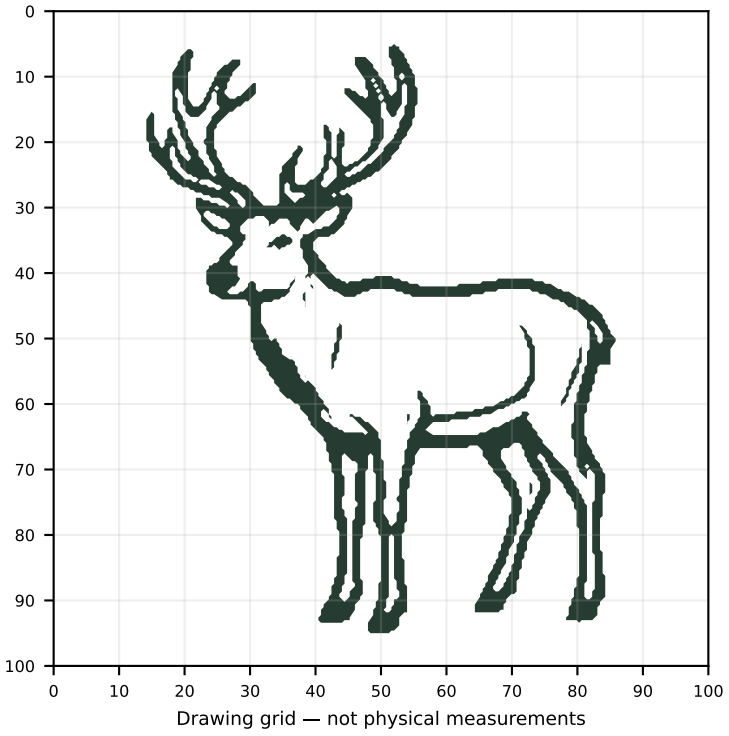

ANSWER: Example solution: preserve large branching antlers, long legs, thick neck mane. Other drawings can be correct; assess the visible features and proportions rather than pixel-perfect matching.
1. Draw the head with a rounded muzzle and pointed ears, then add the large branching antlers above the head.
2. Sketch a thick neck with a shaggy mane line down the front, connecting to a rounded body outline.
3. Add four long legs with visible joints and hooves, keeping the front and rear legs separated.
4. Finish the body with a smooth back line and a short tail, then outline the shapes with clean black lines.

How to Draw Elk — Free Practice Sheets

ANSWER / CASE 4

elk: Complete the blank right-hand portion using the full reference. Compare with the separate full reference sheet.

ANSWER: Example solution: preserve large branching antlers, long legs, thick neck mane. Other drawings can be correct; assess the visible features and proportions rather than pixel-perfect matching.
1. Draw the head with a rounded muzzle and pointed ears, then add the large branching antlers above the head.
2. Sketch a thick neck with a shaggy mane line down the front, connecting to a rounded body outline.
3. Add four long legs with visible joints and hooves, keeping the front and rear legs separated.
4. Finish the body with a smooth back line and a short tail, then outline the shapes with clean black lines.
