How to Draw Fox — Free Practice Sheets

REFERENCE / CASE 1

fox: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

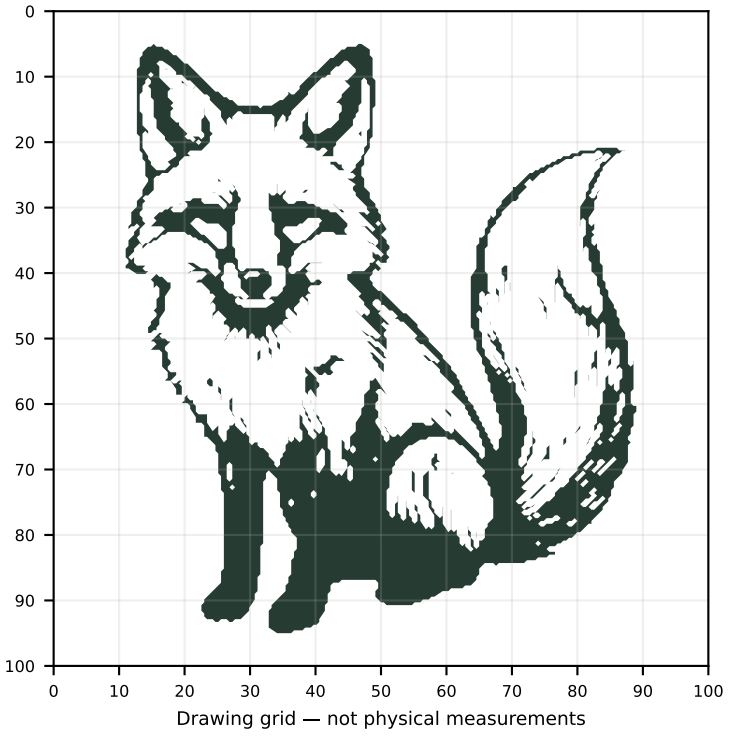

METHOD: Draw the head as a rounded shape with two large pointed triangular ears on top and a narrow snout tapering to a small nose. Add the neck and chest as a broad fluffy area below the head, using curved lines to suggest fur. Sketch the seated body with two visible front legs descending straight down and a rounded hindquarter area. Attach a large bushy tail curving upward on the right side, then add facial details and fur texture lines.
Use the separate practice sheet before checking the answer.
