How to Draw Sloth — Free Practice Sheets

REFERENCE / CASE 1

sloth: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

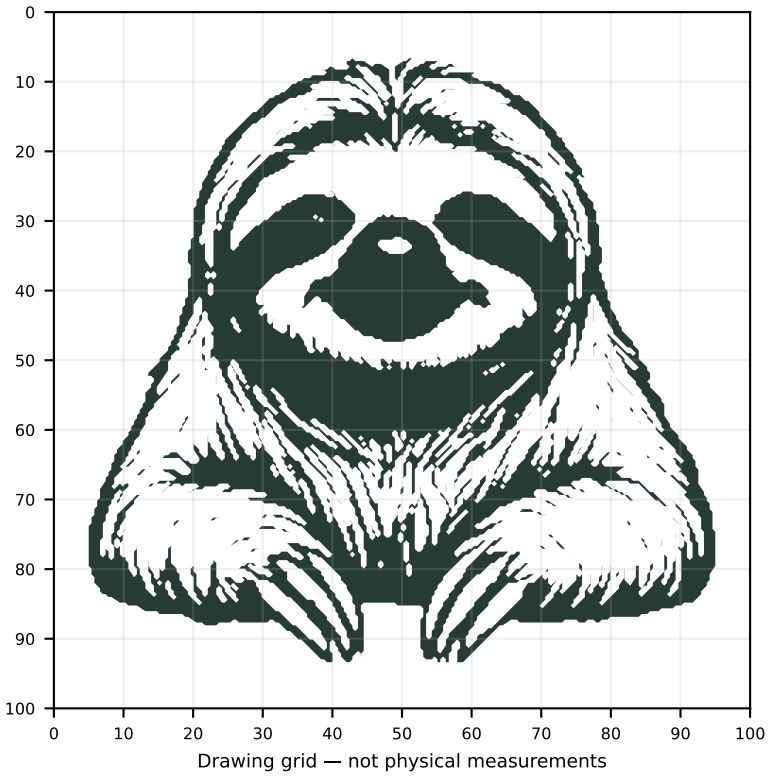

METHOD: Draw a large rounded dome for the head and body silhouette, wider at the base. Add the facial mask: two dark curved patches around the eyes, a central nose, and a small smiling mouth. Sketch the two front arms resting forward, ending in paws with three long curved claws each. Fill the body and head with flowing curved fur lines radiating outward from the face.
Use the separate practice sheet before checking the answer.
