How to Draw Wolf — Free Practice Sheets

REFERENCE / CASE 1

wolf: Trace the reference outline, then practise the contour independently. Compare with the separate full reference sheet.

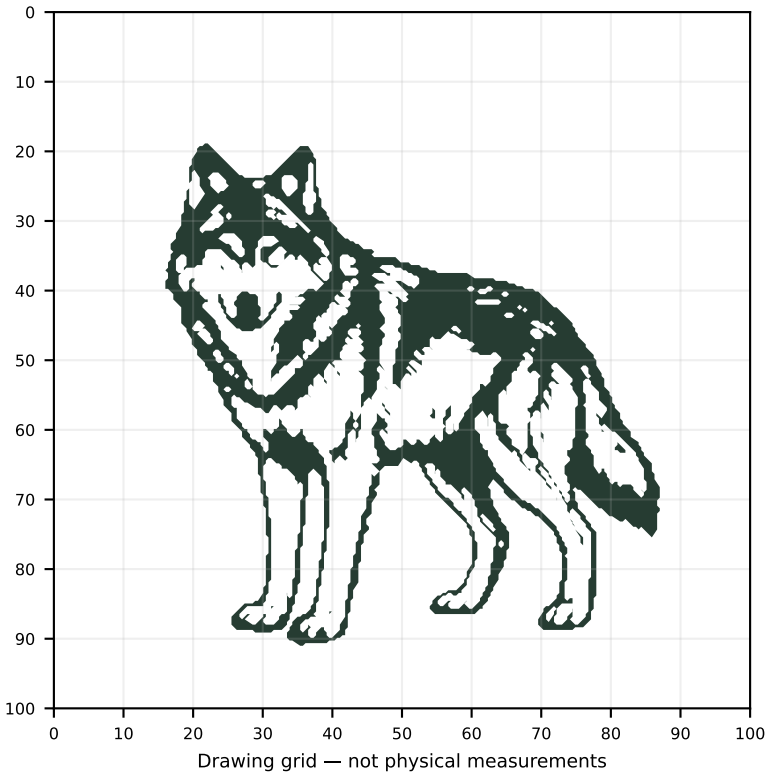

METHOD: Draw the head as a rounded wedge with two pointed triangular ears on top and a long snout extending forward. Add the neck ruff and chest as a broad curved outline connecting the head to the front legs. Sketch the torso as a horizontal oval with a sloping back line, then attach the bushy tail at the rear. Draw four legs: two straight front legs and two hind legs with a slight bend, ending in rounded paws.
Use the separate practice sheet before checking the answer.
