How to Draw Sugar Glider — Free Practice Sheets

REFERENCE / CASE 1

sugar glider: Trace the reference outline, then practise the contour independently.
Compare with the separate full reference sheet.

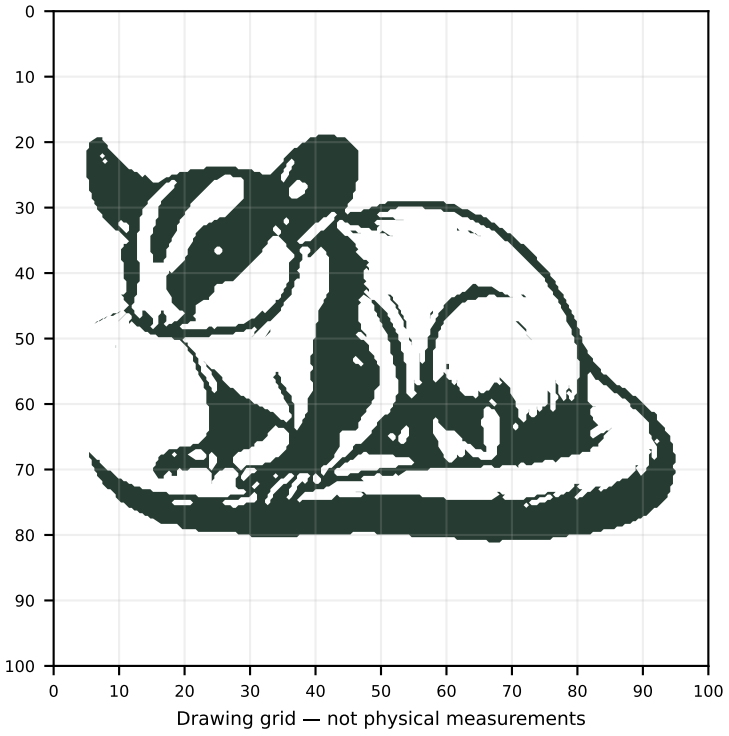

METHOD: Draw a rounded oval for the body and a smaller circle for the head, then connect with a short neck. Add the large round eyes, small pointed ears, and the dark stripe running from the nose over the head. Sketch the gliding membrane as a curved fold along the side of the body, connecting the front and back limbs. Draw the long bushy tail sweeping around the base of the body, and add the visible front and hind legs with small claws.
Use the separate practice sheet before checking the answer.
